## Lt. Dan's New Legs

*"LDNLL were exactly what we were looking for as our reception entertainment... Our guests were so complimentary of their talent and really loved the band... even though the father/daughter song (by Celine Dion) was not part of their usual genre, they still did an excellent job! We can't say enough about LDNLL professionalism and talent. We'd hire them again in minute!"*

**- Cathy Bornard, bride**

*"The reception was held at The Vault downtown and they hired the best entertainment ever, the band Lieutenant Dan's New Legs to play. Everyone had so much fun dancing you could just tell that it was a magical night for Misty and Justin."*

**-Caroline Hilty with unVeiled Photography**

*Do you feel like dancin'?*

*Do you want to be entertained?*

*Do you love current pop and hip-hop music but still have a soft spot for the classics?*

If you answered yes, then **Lt. Dan's New Legs** (LDNLL) is the band you are looking for. This internationally-known six-piece band features two fresh lead singers who like to dance as much as they like to sing. Backing up their creative dance routines and powerhouse vocalists is a full rhythm section, every member of which also sings backup vocals. This band prides themselves on strong musicianship and an ability to reproduce today's most current hits without the use of backing tracks, performing numbers with such precision that audiences are left in amazement.

Some of the new artists they cover include:

T.I.	RAY J
AKON	CHRIS BROWN
TIMBALAND	BEYONCE

Lt. Dan's New Legs also perform plenty of the classics by artists such as:

STEVIE WONDER	PRINCE
RICK JAMES	MARVIN GAYE
THE SPINNERS	LOUIS ARMSTRONG

This diverse mix of R&B, Pop, Dance and Hip-Hop has made this three-year-old band popular for a wide range of functions. Songs are merged together with the finesse of a strong DJ, but without the use of one. This creates an environment with no dead time between songs, making it comfortable for all to dance and get involved in the show. From bars to weddings, festivals to corporate parties, **LDNLL** has performed throughout the country, and in 2008 took their act international when they entertained U.S. troops on the AFE/USO tour. **LDNLL** updates their set list weekly and adds the hottest new music to make your show the talk of your town for weeks. They bring a sexy urban presence to the stage, and have a crowd interaction like no other. Their energetic performance is a guaranteed way to keep the dance floor packed at any wedding reception or party. Combine this with their amazing voices, tight instrumentation and dance routines; you have a show that is second to none and definitely the hottest ticket to date.
