Services

Depending on the type of engagement, Pegi can provide musical entertainment for everything from small intimate dinner parties (acoustic harp only) to concert appearances and special events for thousand listeners (electric harp and large sound system).

About Weddings:

Pegi can provide lovely music for any wedding ceremony be it in a garden, church or synagogue. A wide variety of traditional and contemporary musical selections are available to choose from. Each bride has a private consultation with Pegi to discuss and choose ceremony music which may include: Prelude (before ceremony begins), Processional, special music during the ceremony, (Unity Candle, etc.), Recessional, and Postlude.
